

Coded Number Match

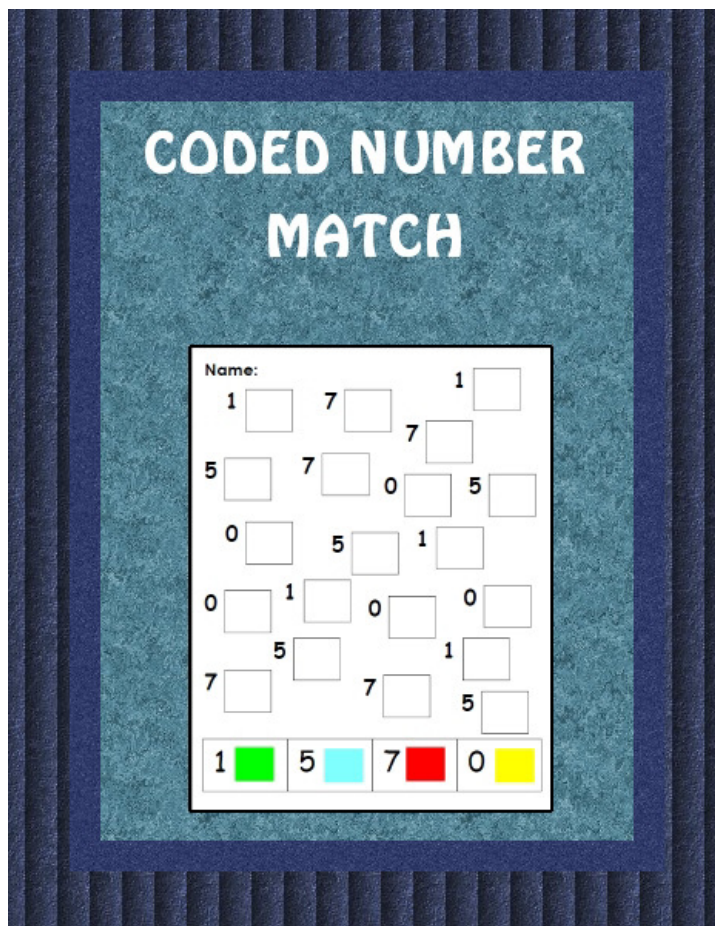

Thank you so much for your purchase. I hope you and your students benefit from this game.

Materials:

- Print on cardstock the patterns
- Variety of tools such as bingo daubers, colored construction paper, markers, stickers etc
- Laminate for durability
- Scissors

How to make it:

- The bottom of each card is the key. Program the key with different colors or stickers.
- Child looks at key and matches each square next to the corresponding number.
